

## How to find us

Please do not park in the Trinity Office car park. The nearest car park is on Warrener Street M33 3GE (take the turn at the carpet shop) which costs just £1 all day. Alternatively, on-street parking may be available. A small car park is located at the back of the church on Trinity Avenue.

Once inside the main entrance to Trinity Offices, access to Solvo Vir is through the glass doors to the right. Using the intercom on the wall, please press the bell button and a member of staff will buzz you in.
